

# ISO 27001 Certification

---

**Preston Rowe Paterson**

International Property Consultants and Valuers

## **Preston Rowe Paterson (PRP) demonstrates ongoing commitment to Information Security Management and Client confidence.**

Preston Rowe Paterson, Australia's prominent firm of property valuers, analysts, advisers and consultants has announced today that it has been awarded ISO 27001 certification. Recognised as the international standard for best practices in information security management systems (ISMS), ISO 27001 certification clearly demonstrates PRP's commitment to providing their customers with the highest level of information security management.

*"Achieving ISO 27001 certification recognises PRP's impeccable security standards and continues to reassure to our customers, shareholders and business partners that we prioritise protection of their data."* said Greg Sugars, PRP CEO & National Director. *"Following an extensive audit process, we were pleased to meet the rigorous standards required for ISO 27001 certification and accreditation. Having this on paper just confirms PRP's ongoing commitment to the highest levels of transparency and data security."*

Greg says; *"PRP's Online software system is industry-leading and our data systems have always been protected by Tier3 Data Centres in Australia. Having the ISO 27001 certification is simply the icing on the cake."*

### **What is ISO 27001 certification?**

ISO 27001 is a stringent international standard published jointly by the International Organisation for Standardization (ISO) and the International Electro Technical Commission (IEC).

ISO 27001 mandates controls to establish, maintain, certify and ensure continual improvement of an ISMS. Certified organisations have established protocols to protect information assets from any cyber threats such as criminal activity, fraud, user errors and external parties.

### **Preston Rowe Paterson and ISO 27001**

As Australia and New Zealand's elite supplier of investment, development and asset property valuation services, PRP's decision to seek ISO 27001 accreditation demonstrates their ongoing commitment to their relentless focus on excellence. *"This is fantastic news for our industry and gives our Clients complete assurance that we at PRP operate to the highest quality standards. It continues PRP's long history of putting our Clients first"*.

Greg Sugars, National Director of PRP.
