Transactions in Review

November 2020

ABOUT THIS REPORT

Preston Rowe Paterson prepare research reports covering the main markets within which we operate in each of our capital cities and major regional locations.

This report summarises major reported transactions within these markets whilst adding transactional analysis to provide greater market insight.

The markets covered in this research report include the commercial office market, industrial market, retail market, specialised property market, hotel and leisure market, residential market and significant property fund activities.

We regularly undertake valuations of commercial, retail, industrial, hotel and leisure, residential and special purpose properties for many varied reasons, as set out later herein.

We also provide property management services, asset and facilities management services for commercial, retail, industrial property as well as plant and machinery valuation.
